Report N² Power Abuse Meeting

On September 18 the directors of the graduate schools, ombudspersons, student representatives and the Helmholtz Juniors Speaker met to discuss how to implement the recommendations of the N² Power Abuse Position Paper:

- The need for open DINI meetings
- The need for active student participation in all discussion boards of HMGU
- The need for ombudspersons to be appointed already at the time of contract signing
- The need for student representatives to be elected already at the time of contract signing
- The need for DINI representatives to be elected already at the time of contract signing
- The need for the DINI to have a say in the selection of the GSO

Please make sure to be actively involved in the N² Power Abuse Meetings to shape the future of doctoral researchers at HMGU.

Take the chance, make a change—Participate in the Survey N²!
