

Career Perspectives for Graduate Students & Postdocs

Dr. Julia Banzhaf-Strathmann

**A biochemist at an insurance company – a
somewhat unusual career?**

Allianz Deutschland AG

15.09.2017

10:00 – 11:00 Talk (open for everybody)

11:00 – 12:00 Brunch (registration required)

Neuherberg, Building 31/003

Dr. Julia Banzhaf-Strathmann graduated in the field of cancer prevention research at the German Cancer Research Center (DKFZ), Heidelberg. After four years of post graduate research at the German Center for Neurodegenerative Diseases (DZNE), Munich, she joined the New Executive Talent Program at Allianz Deutschland AG as project manager. Today Julia is head of the department of medical examiners in the health insurance division at Allianz.

As usual you will have the possibility to get in touch with her more personally during the brunch directly after the talk.

Please click [here](#) to register by **September 11, 2017** if you would like to join the brunch.
